Parents,

All Derby cars should have been turned in today at Stockade. If your boy's car has not been turned in contact me tonight. The race rotations are prepared on Thursday and once they are completed and printed cars can't be added.

The Stockade Pinewood Derby Race Day is Tuesday, March 5th at 7pm. Boys can arrive starting at 6:30pm. There will be graphite available to lubricate their cars but there is no testing on the race track.

The derby will be webcast live (and available for replay when completed) on facebook and youtube. There will be direct links to the webcast from our webpage (2047.org). Webcast information is below as well.

We need snacks for the derby as well as a "Kitchen Mom" to take care of getting the food out, etc. Coffee/drinks will already be made. If you can bring snacks please sign up for them on our webpage and if someone is willing to be a kitchen mom, let me know (716-536-4077).

Everyone is invited to attend the Derby!

We strive to remond the boys that our Derby is a fun event where the boys learn to use tools and figure out how to make a car. We race, some win and some lose and then we eat brownies and go home. It's a fun event.

There is No Stockade next Wednesday, March 6th. The Girls have their powederpuff derby.

If you have any questions, contact me voice or text 716-536-4077 or jim@2047.org
