

Dear Parents,

Next week is our final Stockade Cadets meeting for the year. We will be completing our already planned Summer activities (fishing night, Outdoor Movie Night, & Game Night) and you will be notified by text, on Facebook and on our website a week or two prior to each activity.

A text message will be sent about an upcoming parent meeting. If you are not signed up for receiving texts, please do so via our website 2047.org.

Please send in the uniform shirt (not t-shirts). The boys can keep the blue triangle patch that is velcroed on. If your boy is not attending the last meeting next week contact me to arrange a time to drop off or have me pick up the uniform shirt.

There is a lost and found at Stockade. If your boy is missing a jacket or anything from Stockarama weekend or during the year check there. Once we have our last meeting on May 29th anything left will be disposed of.

Other than a broken wrist, Stockarama Camping Weekend was awesome! The boys were incredibly well-behaved and everyone had a great time. Photos and videos from the weekend will be on our website by the end of the weekend.

Should you have any questions about these items, next year or anything else, please contact me (voice or text) at 716-536-4077 or email at jim@2047.org

Jim Szczodrowski

Stockade Cadets #2047

**Final Stockade Cadets of the year
will be on May 29th**
