

Dear Parents,

Next week, May 27th, is the final Stockade meeting of the year. It's a couple weeks earlier than usual due to the number of boys playing sports this year.

There are activities planned for the summer. In July we will be having a fishing night as well as a rocket launch day. We also hope to have an outdoor movie night, game night, campfire get together, etc. You'll be notified about all of these.

Next week will be the end of the year Bowling-for-Prizes and we will meet at the usual time.

Over the Summer the website will be unavailable for a number of days due to needing to update the software it runs on. Once it is back up and running any activities will be posted (and on Facebook).

Should you have any questions you can contact me at 716-536-4077 (voice or text) or [jim@2047.org](mailto:jim@2047.org)

Jim Szczodrowski - 716-536-4077    [jim@2047.org](mailto:jim@2047.org)
