Dear Parents,

We still need some permission slips and registration handed in. We will text those we are still missing sometime this coming week.

This Saturday, November 7 we are going to be available to launch rockets (that the boys made last year). We have finally been able to obtain the engines.

We will meet at the West Falls Park (right down the road from Stockade) at 1pm and we should be done about 2:15. As of right now it is supposed to be raining on Saturday so we will be sending out a text on Thursday or Friday on whether we are launching rockets this week or not.

Next Friday, Veterans Day, we will be having Stockade at the regular time.

Our Holiday Scheduling is below -

November 11 - Veterans Day - Stockade 6:45-7pm

November 18 - Stockade 6:45-7pm

November 25 - No Stockade

December 2 - Stockade 6:45-7pm
